

Esther Martino, 2nd Vice President

My name is Esther Martino. I currently work for the Superior Court Alameda as a Child Custody Recommending Counselor. I have been working for the County of Alameda since 1988. I graduated from San Francisco State University with a Masters in Social Work and began my career as a Child Welfare Worker. As a CWW I was member of SEIU and became a Shop Steward. I have been a member of ACMEA since 2001.

Being a member of a Union is very important to me. My involvement in ACMEA has given me the opportunity to negotiate contracts and bring the voice of our members to the bargaining table. I am proud to say that as an active and vocal member of the Board I have helped develop ACMEA into a Union that is sought after for its endorsements of elected officials and become more responsive to its members who want to be part of union that is listening to their concerns and advocating on their behalf. I look forward to working for you for the next two years.
