

Jane Manzo, Secretary

I have been an employee of Alameda County for 33 years. I began as a Stenographer for the Public Works Agency in 1986 and later transferred to the Public Defender's Office in 1989. I was promoted to Supervising Secretary II in 1999, and have been an ACMEA dues paying member since that time. Since 2002, I have worked for the Alameda County Sheriff's Office as a Commander's Secretary, Internal Affairs' Secretary, Assistant Sheriffs' Secretary and currently as the Undersheriff's Secretary.

From 2012 through 2016, I was the Secretary for the ACMEA Board of Directors. I participated in the strategic planning process, website design process, budget process, as well as the political action committee. As a board member, I also helped to develop the financial plan which is currently being implemented by the ACMEA Board.

It is an honor for me to once again serve as the Secretary on the ACMEA Board of Directors.
