

Tom Madigan, President

I am honored to serve as the newly elected ACMEA President. I have worked for Alameda County for the past twenty years. I currently work as a captain assigned to the Alameda County Sheriff's Office, Office of Homeland Security and Emergency Services. Over the past several years I have served as the ACMEA 1st vice-president, secretary, and a director-at-large. Prior to joining ACMEA, I served for four years as the president of the Deputy Sheriffs' Association of Alameda County (DSA), a 1000-member non-profit labor organization.

I also served for four years as a director-at large on the Peace Officers Research Association of California (PORAC), the largest statewide association representing public safety personnel in the nation. I have had the opportunity to participate in the collective bargaining process, disciplinary process, meet and confer process, as well as participate as the chair of the DSA and ACMEA political action committees. I will work hard with the Board of Directors to enhance wages, benefits, and working conditions of our membership.
