

Yvette Greenwood, Director At-Large

I have been an employee of Alameda County for 7 years and have been an ACMEA dues paying member since starting at the County. I began as a Billing Supervisor in the Provider Relations Unit of Behavioral Healthcare Services. I was promoted to Administrative Support Manager of the County's Mental Health clinics in 2016.

From 2016 to 2018 I had the honor of serving as the ACMEA Board Secretary. I participated in the strategic planning process, website design process, budget process, as well as the political action committee. I was re-elected in 2018 to serve as a Director-At-Large and I look forward to any opportunity to serve our members.
