

**Maria Moreno** was appointed and started as the ACMEA Director representing AHS in January 2021. She is heavily engaged in labor meetings with management and helps members when they face disciplinary issues at work. She also leads AHS contract negotiations. Maria has worked at AHS for 10 years. She was previously an SEIU member and helped with two contract negotiations and was the Chief Steward for ambulatory. She currently sits on various ACMEA committees. Maria supports unions and is available and willing to fight for you when needed. She really enjoys helping members and is dedicated to carrying out the AHS mission to serve their patients.
